JOB OPPORTUNITY

Electricians - Red Seal or 3rd and 4th Block Apprentices

Full-time permanent position available

We are currently looking for a hard-working and dependable Red Seal Journeyman Electrician to join our team. We are looking for an individual with experience in residential and light commercial projects.

The ideal candidate is someone who wants to be a part of a growing team, who has keen interest in the electrical field, who is capable of working at various heights, lifting 50+lbs, ensuring they and others are always working safely, and assisting in a wide range of duties for our projects.

RESPONSIBILITIES

- Team players with the ability to work independently when needed
 - Read and interpret drawings, circuit diagrams and electrical code specifications to determine wiring layouts for new or existing installations
 - Install underground wiring and cables
 - Pull wire through conduits and through holes in walls and floors
 - Install brackets and hangers to support electrical equipment
 - Install, replace and repair lighting fixtures and electrical control and distribution equipment, such as switches, relays and circuit breaker panels
 - Electrical panel replacements/upgrades
 - Splice, join and connect wire to fixtures and components to form circuits
 - Test and measure voltage, loads, ground faults integrity of circuits
 - Test continuity of circuits using test equipment to ensure compatibility and safety of system, following installation, replacement or repair
 - Troubleshoot technical problems, ensure their resolution, and recommend solutions to improve maintenance operations
 - Connect electrical power to audio and visual communication equipment, signaling devices, and heating and cooling systems
 - Ensure assigned maintenance projects are completed as scheduled
 - Keep track of material before, during, and after jobs to minimize loss or theft
 - Must be willing to work occasional overtime, evenings and weekends
 - Showing up on time and ready to work every day is a must
 - Keep your company van stocked & tidy at all times
 - Produce timely and detailed service reports
 - Follow company procedures and protocols
 - Follow all Safety policies to maintain a safe and healthy workplace for everyone
 - Cooperate with the technical team and share information across the organization
 - Comprehend customer requirements and make appropriate recommendations
- #### **SKILLS & QUALIFICATIONS**
- **Red Seal Journeyman Electrician or Apprentices working on the 3rd or 4th block**
 - Experience in residential and light commercial projects
 - Valid driver's license and clean driving record
 - Excellent organizational & time management skills
 - Strong communication skills (written & verbal), to liaise with office-team and customers
 - Outstanding customer service skills
 - Interest in learning emerging technology of the industry
 - Ability to adapt to changing work schedules
 - A personality that blends well with a fast-paced, goal-driven environment
 - Demonstrated sound work ethics
